March 12, 2020

Stillwater Families,

Due to concerns about the pandemic coronavirus and the safety of our communities, it is with deep regret that we must inform you that the District Band Concert, scheduled for Monday, March 16, 2020, at 7:00 p.m. at Kittatinny Regional High School, has been **postponed** and will hopefully be scheduled later this Spring. In addition, the Open House schedule the same night at 6:00 p.m. at Kittatinny Regional High School has also been **postponed** until sometime later this year.

As a result of in-depth conversations over the past 2 days with school leaders and members of our school community, we have come to the conclusion that it is better to be safe and postpone the event rather than risk the health of our school community. This perspective, along with the recent guidance by the New Jersey Department of Health and most recently by Governor Murphy (at 2:00 p.m. today) recommending that any event or gathering with 250 or more participants should be canceled has led to this difficult decision. It is in the best interest and safety of our students, our staff and of course our communities to postpone this successful district-wide event.

We apologize for any disappointment or issues this may create on your family schedule, but in light of the recent guidance, it is prudent at this time to make the tough decision to postpone the District Band Concert and Open House.

Sincerely,

William Kochis
Superintendent
