IMPORTANT INFORMATION

ABSENTEE CALLS: All absences must be reported directly to our dedicated attendance line **by 9:30am - 973-383-3227**. Kindly keep in mind, this number is for **Absentee Calls ONLY**. If you need to speak directly to the nurse Maureen Beckman or leave a message for her, she can be reached at 973-383-6171 ext. 216. The nurse's voice mail should be used for health concerns **other than attendance**.

SCHOOL HOURS: The school day is 8:25 AM until 3:00 PM for all children. **Whenever possible, ALL children should be strongly encouraged to take the bus in order to ensure that they are on time. WALKERS AND/OR CHILDREN WHO ARE DROPPED OFF BY THEIR PARENTS SHOULD NOT ARRIVE TO SCHOOL PRIOR TO 8:15 AM.**

SCHOOL ATTENDANCE: Students need to be in school every day to stay on track. Teachers' lesson plans are carefully constructed to introduce new concepts, reinforce them with learning activities, and then move on to new skills and ideas. When children aren't in school they can easily fall behind. The more days they miss, the harder it is to catch up. **Families will be contacted via a mailing after a child accumulates four unexcused absences, again when a child accumulates five to nine unexcused absences, and finally when the child has ten or more unexcused absences. Letters are automatically generated by our data system.** After ten unexcused absences, if the district determines that the compulsory attendance law has been violated, a court referral may be made, as required by district policy and New Jersey State Law (N.J.A.C. 6A:16-7.6). Please ensure that if your child is absent that you follow up with written documentation to avoid an unexcused absence. Definitions of excused absences can be found on the district website under the *Parent Resources* tab.

BUS STOP REMINDER: Parents/Guardians – It is important that you are at your child's(ren's) bus stop on time. If you have not signed a waiver stating that your child may be let off without someone present, the bus will return your child to school if a designated person is not there to receive them. **A \$25 charge is incurred by the family if the bus has to return to the school with your child(ren).**

SIGNING STUDENTS OUT: All students who are leaving the school building must be signed out by a parent/guardian or **authorized** person. If your child will not be riding the bus home (ex: staying for an after-school activity, or being picked up), a green bus note **must** be sent in that morning to the homeroom teacher. For students attending KEEP or First Impressions, or being picked up on a **regularly SCHEDULED basis**, please write that in a note (preferably on a green bus note) including the details of child's specific schedule, **bus route number**, and a contact person for our records. **Any phone calls, or email requests regarding your child's end of the day dismissal must be made before 12:00pm unless it is an emergency situation.** For requests made after 12:00pm, a decision will be made by administration as to whether or not we will be able to honor that request. Any questions, please contact Mrs. Roberts or Mrs. Roycroft.

PRE-SCHOOL NEWS: Auditions are over, parts are given and Mrs. Pierson's preschool classes are busy getting ready for their upcoming production of the show, The King's Pudding. The children are enjoying making a favorite story come alive. We are having fun coming up with costumes and props. Learning new songs and dances for the show has been a challenge but nothing too big for our actors and actresses. Broadway watch out, here we come!

KINDERGARTEN NEWS: The kindergarten classes have been very busy! We had fun with St. Patrick's Day activities and looking for signs of spring. At this point in the year, the kindergarten children are reading and writing using their phonetic skills. In math, we have been building on our addition and subtraction skills and learning different ways to decompose numbers. The year is flying by and we are all eagerly waiting for spring!

FIRST GRADE NEWS: First grade is exploring seasonal patterns. They have reviewed the four seasons and their characteristics. Students were able to differentiate between day and night activities. Our junior scientists completed an investigation about the length of day and night. They compared through graphs how the length of day differs in the southern and northern hemispheres.

NEWS FROM THE SCHOOL NURSE: This first week of spring has not only brought us another storm, but has also come with another round of a gastrointestinal illness. Symptoms include vomiting, diarrhea, and in some cases, fever. Since these infections are mostly spread by direct contact, hand to mouth, I am asking that everyone practice good hand hygiene at school and at home. To help prevent the spread of infections, hands should be washed or hand sanitizer should be used before eating or preparing food, after using the bathroom, and any time hands are contaminated by coughing or sneezing into hands. Children who vomit or have diarrhea should stay home from school for 24 hours after symptoms resolve.

Welcome Spring!

Some great spring activities to enjoy with your children! They range from learning games to making fizzle paint with your little ones!
