

ABSENTEE CALLS: Please call the attendance line **383-3227** when calling your child out of school. Do not use the personal voice mail of our nurse, Maureen Beckman. The nurse's voice mail should be used for health concerns other than attendance.

IMPORTANT REMINDER

ALL VISITORS TO STILLWATER SCHOOL MUST SIGN IN AT THE MAIN OFFICE UPON ARRIVAL AND SIGN OUT WHEN LEAVING.

SCHOOL ATTENDANCE: Students need to be in school every day to stay on track. Teachers' lesson plans are carefully constructed to introduce new concepts, reinforce them with learning activities, and then move on to new skills and ideas. When children aren't in school they can easily fall behind. And the more days they miss, the harder it is to catch up.

BUS STOP REMINDER: Parents/Guardians – It is important that you are at your child's(ren's) bus stop on time. If you have not signed a waiver stating that your child may be let off without someone present, the bus will return your child to school if a designated person is not there to receive them. **A \$25 charge is incurred by the family if the bus has to return to the school with your child(ren).** Thank-you for your cooperation!

ATTENTION PARENTS/GUARDIANS: There was a letter sent home with your child this week addressing bus note procedure and end of day dismissal guidelines. Please be sure to read it carefully to become familiar with our new guidelines.

These students will be bringing home shining star certificates to be signed by the parents and then the certificates will be displayed outside the cafeteria. Each week 2 names will be chosen for a special gift card generously donated by the PTA. This week's winners are: **ABBIE ANKROM & RYAN SMALETZ!** ~ Congratulations!!!!

TREPS: Congratulations to our 32 entrepreneurs who created and sold amazing and innovative products at the Trep\$ Marketplace last Thursday. The students were mature and business-like in their presentation of their products and salesmanship. We are extremely proud of their efforts and applaud each one of them on their successes. A very special thank you goes to Mrs. Sager, Mrs. Woehr, Mr. Carbonaro, Mrs. Memmelaar, Mr. Cullen and Mrs. Cramer for all their support, as well as a "THANK YOU" to all the teachers and the members of the Board of Education. Thank you to Mr. Iradi for helping us with the Technology which was so crucial to our workshops. We thank the parents for helping their children learn and grow through entrepreneurship. And a very huge "THANK YOU" to the community for coming out and shopping to help make this Marketplace a great success. ~Miss Conry & Mrs. Bickhardt

DRESS LIKE A GYM TEACHER DAY: The staff at Stillwater School also participated in the Red Cross activities last Friday! For a donation to the Red Cross, the staff got to "dress like a gym teacher". Comments heard all day were – "WOW! This is really comfortable! I never knew how wonderful sneakers are!" It was a fun day for the staff. Many of them participated in the gym activities as well!

APPLIED TECHNOLOGY: During the past month we had many events which focused on reading. In Technology we worked on creating our own stories by utilizing KidPix and MS Word. The older grades are working on Excel and creating their own data graphs. An easy way to help your child and prepare for the future is to practice keyboarding in your own home. A new website for keyboarding is "Ten Fast Fingers" found at: <http://10fastfingers.com>. Be sure to have parental guidance when going online, any website, link or search may provide material that may not be appropriate for children. ~Mr. Iradi

POSITIVE THOUGHT OF THE WEEK:

Read by: Carson Powell

"Don't tell me the sky's the limit when I know there are footprints on the moon"

~Paul Brandt

IMMIGRATION DAY: 4th grade Social Studies students have recently been studying immigration and growth in the United States, particularly New Jersey. They celebrated their heritage by recognizing Immigration Day. Students shared their backgrounds with reports, pictures and various artifacts. There were delicious snacks and treats representing countries shared as well. What a great way to learn about our backgrounds! ~Mrs. Paladini

SCHOOL COUNSELING CORNER:

This week I enjoyed reading the book "The Girl Who Never Made Mistakes" to the second grade students. We talked about how we all make mistakes and sometimes we learn great things through our mistakes. We also talked about our "good qualities" and "things we do well." Have a wonderful spring break!!

~ Ruth Najemian - 973-383-3998

LIBRARY UPDATE: The students have been enjoying great books and great authors this spring in our library! Some of our spring time authors include: Steven Kellogg, Audrey Wood, Even bunting, and Shel Silverstein. By finding the messages, making references, and looking for themes while we read, the literature is not only enjoyable but also becomes more meaningful. Dig deeper to find useful lessons each time you hop into a good book! ~ Miss Scheider

BUG PROJECTS: The 3rd grade REACH class of Stillwater School recently constructed "Bugs" out of recyclable materials. The bugs had to be anatomically correct, with the 3 parts of a bug: the head, abdomen & thorax. In addition, they had to have six legs and two antennae. As a culmination, the students had to write a story about their bug and come up with a creative name. The 4th, 5th and 6th grade REACH classes judged the bugs and based their decision on the best constructed bug as well as the best written story. Congratulations to **LUKE RIVA** who had the best bug!

2ND GRADE ECONOMICS: The second grade classes have been studying economics. As a culminating activity each class produced a product that can be used in the classroom. The students designed a plan for profit, calculated income and expense, and set a price on their goods. During the week the children created an assembly line factory to mass produce their products. On Wednesday, each student role played a clerk in a store and a consumer. They were given \$1.00 to shop in each classroom. Each second grader purchased a pencil and eraser, a bookmark, and a set of clock flashcards. These activities were an excellent way to combine social studies, math, and social skills!

ATTENTION 6TH GRADE PARENTS:

Please send in photos of your son or daughter for a collage that will be made and displayed in June at the end of the year party, and on graduation night. Single photos, group shots, holidays, Washington DC trip, scouts, and any other school photo will be accepted. Prints are best, because we will not be able to return the pictures. Pictures can be sent in through your homeroom teachers to my attention. Our next meeting will be on Tuesday, April 23rd, at 6:30pm. Thank You.

~Maria Hoelderlin
