## PARENTS, PLEASE NOTE THE FOLLOWING IMPORTANT MESSAGES

### ABSENTEE CALLS

All absences must be reported directly to our dedicated attendance line: **973-383-3227**. Kindly keep this number handy. **DO NOT call the main school phone number or use the personal voice mail of our nurse, Maureen Beckman.** The nurse's voice mail should be used for health concerns other than attendance.

### EARLY DISMISSAL

Early dismissal time is 12:40. There is no lunch served when there is an early dismissal. Please send your child in with a snack.

**SCHOOL ATTENDANCE:** Students need to be in school every day to stay on track. Teachers' lesson plans are carefully constructed to introduce new concepts, reinforce them with learning activities, and then move on to new skills and ideas. When children aren't in school they can easily fall behind. The more days they miss, the harder it is to catch up.

**BUS STOP REMINDER:** Parents/Guardians – It is important that you are at your child's(ren's) bus stop on time. If you have not signed a waiver stating that your child may be let off without someone present, the bus will return your child to school if a designated person is not there to receive them. **A \$25 charge is incurred by the family if the bus has to return to the school with your child(ren).** Thank-you for your cooperation!

### IMPORTANT NEWS FROM THE NURSE:

Recently, several of our students have become ill with influenza like illness. Please keep this in mind if you or your child begins to develop flu like symptoms, especially if you did not receive a flu vaccine. Symptoms of the flu include fever, headache, excessive fatigue, cough, runny nose, and body aches. Diarrhea and vomiting may also occur, especially in children. Many of these symptoms are similar to cold symptoms but are more severe. Please keep your child at home if he/she is running a fever. Children should be fever free for 24 hours before returning to school. Continue to encourage good hand hygiene and remind children to cover their coughs and sneezes. However, since the flu is primarily spread through respiratory droplet, the best way for us to prevent the spread of infection is for those who are ill with the flu to **stay at home**.

**ST. JUDE'S MATH-A-THON:** Once again Stillwater students have the opportunity to help the children at St. Jude's Children's Research hospital by participating in the Math-a-thon. Over the years we have raised **\$91,343.43** to help the children at St. Jude's! Please remember to return your permission slips ASAP.

**YEARBOOK NEWS:** Attention 6<sup>th</sup> grade parents: Send in a baby photo of your graduate and it will be displayed next to his/her 6<sup>th</sup> grade portrait photo in the yearbook. Baby photos for the school's yearbook are due by January 31<sup>st</sup>.

**STUDENT COUNCIL:** On Friday, January 31<sup>st</sup>, Student Council will be having a Super Bowl fundraiser. Wear your favorite football team's colors or uniform, whether it be a professional team or the team you play on. We are asking for donations of \$.50 from all who participate. All of the money we raise will go to St. Jude's Children's Hospital. Wear your team colors for a school touchdown!

**GO RED FOR WOMEN:** Stillwater School staff members will have a jeans day and wear red day on Valentine's Day, Friday, Feb. 14th to support the American Heart Association's "Go Red for Women" movement. Each of our staff members wearing jeans or something red that day, will make a charitable donation for the cause. Please check out the below link to find out more about women's heart disease and the progress that has been made.

**SCHOOL COUNSELING CORNER:** I just started another new lunch club for grades 1 and 2 titled, "making friends." We will explore the recipe for friendship, how to start a conversation, roadblocks to friendship, and when to say, "No." We meet in the B Social lounge every week for lunch and discussion. ~ Ruth Najemian

## IMPORTANT MESSAGE- OneCall notifications

We will be sending out OneCall notifications throughout the winter months, as needed, due to emergency closings and delays. We are asking you to please check your phone for messages rather than calling the school following the notification. This will help to eliminate the volume of calls that come in to the school immediately after the message is sent.

**Thank you for your cooperation!**
